Ref:- Principals Memo No. A-231/50 dated 26-10-50

I submit the following few facts for your kind consideration and favourable orders.

I submit that my present financial position does not enable me to make a lump sum payment of Rs. 100/ towards security deposit. With my poor salary I have to maintain a large family and look after the education of my brothers. It would cause me greater hardship if Rs. 25/- is taken from my salary every month towards security deposit. I therefore request that I may be permitted to make payment towards the security deposit at the rate of Rs. 10 a month.

Thanking you in anticipation.
